LinkedIn: <https://www.linkedin.com/in/youan-lin/>

Global social and brand ecosystem operator with experience scaling corporate social platforms, driving cross-functional marketing initiatives, and executing high-volume creative and digital campaigns in fast-paced technology environments. Proven track record building and growing social channels, leading flagship thought-leadership campaigns, optimizing digital workflows, and supporting executive communications across global teams. Combines platform-native content strategy, operational execution, and data-informed decision making with hands-on expertise across social media, web, brand systems, and digital marketing operations.

Key strengths include platform growth strategy, community and ecosystem engagement, cross-functional collaboration, creator and content trend fluency, executive support, and scalable marketing operations.

Professional Experience

Corporate Marketing Specialist	Gen Digital Inc, Tempe, AZ	May 2022 – Present
Social & Platform Growth		

- Built and scaled Gen's corporate Instagram presence from launch to 38K+ followers within one year through a hybrid organic and paid growth strategy, owning content strategy, creative production, publishing, campaign optimization, and analytics.
- Generated **1.3B+ Instagram impressions** and supported **1.9B+ paid social impressions** through platform-native content, trend-informed creative strategy, and cross-functional campaign execution.
- Manage and optimize Gen's corporate **digital ecosystem** across Instagram, LinkedIn, Threads, YouTube, Vimeo, GenDigital.com, and blog platforms to strengthen brand **visibility, thought leadership, and community engagement**.
- Monitor social performance, content trends, audience insights, and campaign analytics using Sprout Social, Meta Business Suite, and platform reporting tools to optimize engagement and content effectiveness.
- Produce **600+ creative assets** annually across corporate marketing, executive communications, employer branding, product campaigns, and global social initiatives in high-visibility, fast-paced environments.
- Maintain **less than 24-hour turnaround** times for high-priority executive and product marketing requests, including social assets, campaign launches, and product-related creative deliverables.

Cross-Functional Marketing & Brand Operations

- **Lead end-to-end creative ownership** for Gen's flagship Quarterly Threat Report, designing the full report experience and all supporting campaign assets after the company sunset external agency support.
- Partner closely with Brand, PR, Executive Communications, Product Marketing, Consumer Marketing, Threat Labs, SEO, and Corporate Responsibility teams to execute integrated global campaigns and thought-leadership initiatives.
- Collaborate with **international stakeholders** and external agencies across the U.S., Europe, India, Canada, and APAC regions to coordinate campaigns, website operations, localization support, and digital initiatives.
- Manage GenDigital.com web operations through Umbraco CMS, partnering with external SEO and development agencies to troubleshoot Jira tickets, improve UX/UI experiences, optimize discoverability, and **support 600+ SEO pages**.
- Migrated and maintained **50+ website policies** while supporting scalable content operations and governance across global web properties.
- Support executive visibility initiatives by developing high-priority social and communication assets for senior leadership, including rapid-turnaround LinkedIn content and campaign visuals.

Systems, Workflow & Process Optimization

- Developed **scalable social and brand systems**, including 10 Canva brand kits and reusable templates supporting corporate and consumer marketing teams.
- Built an **AI-enabled internal brand guidance workflow** using Glean to improve employee access to brand standards, assets, and marketing resources.
- Improved intake and production workflows for marketing requests to streamline execution across creative, social, and campaign initiatives.
- **Managed global swag vendor** operations and inventory coordination across the U.S., Canada, Ireland, and India, including budgeting, distribution, onboarding merchandise programs, and event logistics.
- Supported **2,000+ users** through DAM systems while maintaining alignment with global brand standards and governance.

Sales Representative – Oral Care

3M, Taipei, Taiwan

Nov 2021 – Jul 2022

- Managed **360+ client accounts** across private dental clinics and hospital orthodontic departments through strategic relationship management and data-informed outreach.
- Achieved **142% of sales KPI** targets through customer engagement, product education, and performance-driven account strategies.
- Utilized **Salesforce, Tableau, Power BI, and SQL-based reporting** tools to analyze customer pipelines, optimize outreach efficiency, and support sales operations.
- Generated **\$10K+ in single-day sales revenue** during a national dental exhibition through targeted client engagement and product promotion.

Digital Marketing Intern

Sony Music Entertainment, Taipei, Taiwan

Feb 2021 – Jul 2021

- Supported digital marketing campaigns and social content strategy for artist releases across social and video platforms.
- Collaborated with artists, agencies, and internal creative teams to optimize campaign performance and audience engagement.
- Contributed to a video campaign reaching **566K+ YouTube views** through targeted digital promotion and platform distribution.
- Created Instagram content generating **600K+ impressions** through audience-focused social storytelling and trend-aware creative execution.
- Managed and optimized **Pinkfun.com**, applying SEO strategies that achieved **top-three Google search rankings**.
